Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Thursday 17 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Showers in northwest, mainly dry elsewhere.

Today:
Rather cloudy start in the far southeast, otherwise a bright day with sunny spells. The northwest will see rather more in the way of cloud and scattered showers, with a few showers developing elsewhere in the afternoon. Mainly light winds.

Tonight:
Showers continues this evening across the northwest but become fewer and further between overnight. Elsewhere dry with some late sunny then long clear spells. Chilly in rural parts.

Friday:
A dry start for most, just a few showers across the north and northwest, with some good spells of sunshine. Cloud will bubble up with the odd afternoon shower possible.

Outlook for Saturday to Monday:
The odd shower in the west Saturday but generally dry with sunny spells. More unsettled through Sunday and Monday with more in the way of cloud and outbreaks of rain.
